otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with

the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (see Journals, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

VANCOUVER CITY BY-LAWS.

BY-LAW No. 455.

A By-Law to authorise the raising, by way of debentures, the sum of \$50,000 for the purposes of and to be paid to the Vancouver General Hospital.

WHEREAS it is deemed expedient in the interests of the City that the sum of \$50,000 should be contributed by the City to the Vancouver General Hospital, to enable a hospital to be erected in the City:

And whereas the Vancouver General Hospital has decided to erect buildings on the site mentioned and described in sub-section "B" of section 23, "Vancouver General Hospital Act, 1902," and is in a financial position to contribute at least \$30,000 towards the cost thereof, such hospital to cost at least \$80,000:

And whereas it has been agreed between the Council of the Corporation of the City of Vancouver and the Directors of the Corporation of the Vancouver General Hospital that the City of Vancouver shall pay the said sum of \$50,000 as a subsidy towards the cost of building the said hospital:

And whereas by the "Vancouver General Hospital Act, 1902," and "Amendment Act, 1903," the Mayor and Council of the City are authorised to borrow a sum of \$50,000, to be paid as a contribution by the City towards the cost of such hospital:

And whereas it is necessary for the purpose aforesaid that the City should raise, by way of debentures, a loan of \$50,000, repayable on the 10th day of December, 1943, with interest in the meantime payable half-yearly at a rate of four per cent. per annum, such loan when raised to be applied for the purpose aforesaid:

And whereas for the payment of the said debentures when due, and for the interest thereon during the currency of the said debentures, it will be necessary to raise and levy in each year the sum of \$2,526.17 annually:

And whereas for the payment of the debt when due it will be necessary to raise and levy in each year the sum of \$526.17 by special rate sufficient therefor in each year on all the ratable property of the City of Vancouver:

And whereas for the payment of the interest on the debt during the currency of the said debentures, it will be necessary to raise and levy in each year the sum of \$2,000 by special rate sufficient therefor on all the ratable property of the City of Vancouver:

And whereas the amount of the whole ratable property of the City of Vancouver, according to the last revised assessment roll, is \$21,066,370.00:

And whereas the total amount of the existing debenture debt of the City of Vancouver is \$2,704,951.20, irrespective of debts incurred for local improvements, of which none of the principal or interest is in arrears:

Now, therefore, the Mayor and Council of the City of Vancouver, in open meeting assembled, enact as follows:—

1. For the purpose of and to be paid to the Vancouver General Hospital, as a contribution by the City to the cost of erecting a hospital, as provided for by the "Vancouver General Hospital Act, 1902," and "Amendment Act, 1903," it shall be lawful for the Mayor of the City of Vancouver to raise, and he is hereby authorised to raise, by way of loan from any person, persons or corporation who may be willing to advance the same on the credit of the debentures hereinbefore mentioned, a sum not exceeding in the whole the sum of \$50,000, and cause the same to be paid into the hands of the Treasurer of the said City for the purpose of and to be paid to the Vancouver General Hospital as aforesaid, with the object hereinbefore recited.

2. It shall be lawful for the Mayor to cause any number of debentures to be made out, each for such sum of money not less than one hundred dollars (\$100), or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at the value of \$4.86 to the pound sterling, as may be required, and all debentures shall be sealed with the seal of the City of Vancouver and signed by the Mayor and countersigned by the Treasurer of the said City.

3. The said debentures shall be made payable within forty years from the date hereinafter mentioned for this by-law to take effect, at such bank in the City of Vancouver, or at such bank in the City of London, England, as the Council may by resolution direct.

4. The said debentures shall have coupons attached for the payment of the interest at 4% per annum on the amount of the debentures, and shall be payable half-yearly on the 10th day of June and the 10th day of December in each and every year.

5. A special rate on the dollar shall be raised and levied annually in each year in addition to all other rates on all the ratable property of the City, sufficient to pay interest on the debt hereby created during the currency of the said debentures, and to provide for the payment of the said debt when due.

6. The sum of \$2,000.00 shall be raised and levied each year by special rate on all the ratable property of the City of Vancouver for the payment of the interest on the amount of the said debt hereby created during the currency of the said debt.

7. The sum of \$526.17 shall be raised and levied annually in each and every year by special rate on all the ratable property of the City of Vancouver for the payment of the debt hereby created when due.

8. It shall be lawful for the Corporation, from time to time, to repurchase any of the said debentures, at such price or prices as may be mutually agreed upon, and all debentures so repurchased shall forthwith be cancelled, and no re-issue of any debenture or debentures shall be made in consequence of such repurchase.

9. This by-law shall come into force and take effect on the 10th day of December, 1903.
